Hello Steve.

Here is a link to where I posted it on the STOPP page.
<https://www.facebook.com/steven.love.90/videos/1163225533771891/>

Hopefully it will work for you and them.
As you know people can view things on Facebook only if they are a member.
If the EPA has a page on FB they should be able to view it.

Any questions let me know.
